OUR HIRING REQUIREMENTS

We expect our team members to be courteous and friendly – every customer gets a smile and a welcome. We want our customers to feel great about their visit and our serving team is a huge part of making that happen. We expect you to treat everyone, especially your serving teammates, with professionalism and respect. We want you to have fun at work, but at the same time, we expect you to behave – we tolerate no horseplay and no harassment of any kind directed toward customers, other team members, or anyone else you come in contact with.

As much as we'd love to allow everyone the flexibility to work whenever is most convenient for them, the reality of our business is that much of our customer traffic occurs in the evenings and on the weekends, especially weekend evenings! So those are the important times when we need you to be available to work so that our customers get the great service that they expect. You will absolutely be expected to work many, if not most, weekends, including at least one weekend closing shift. You will also be expected to work at least one other weekend shift plus at least one shift during the week.

School responsibilities come first, so we'll be as flexible as possible in scheduling shifts around your school or sports schedule. In return, we ask that you be flexible in understanding that if the weather is cold or rainy, we may need to cancel some shifts.

I've read and understand these requirements and I promise that I can commit to them:

ONE FINAL QUESTION: Working in a slush/ice cream shop looks like fun from the outside, and it is! But it's also a lot of hard work. The customers can be demanding, it gets hot, there's a lot of pressure, you have to work when other kids are out having fun, and you have to be willing to pick up trash, clean utensils, bathrooms, floors, etc. Do you think you can handle it? Use the rest of the page to tell us why you think you will like it and why you will be a good fit for Amy's Wicked Slush. No need to write a long essay – just a few sentences to tell us why you are the applicant we should hire. We base a lot of our decision on how you answer this question. You can write on the back if this is not enough space for you.
